

DIESEL TECHNICIAN (375-03)

SALARY: \$36,795.20 - \$49,441.60 annually, plus liberal fringe benefits

THE POSITION

This is skilled journeyman level work testing, maintaining, and repairing diesel engines.

An employee in this class operates, performs preventive maintenance, repairs and overhauls diesel engines. Work involves the preparation and maintenance of work records, maintenance schedules, parts and inventory usage. The employee also supervises the maintenance, repair and overhaul of small gasoline-operated engines. Work is performed with considerable independence according to established policies and procedures, and is reviewed by a supervisor through direct observation and examination of maintenance records.

NOTE: The duties of this position will include all of those duties set forth in the official description.

THE REQUIREMENTS

1. Graduation from an accredited high school or trade school, or possession of an acceptable G.E.D. certificate, preferably supplemented with technical training by a diesel manufacturer.
2. Three (3) years experience in the installation, maintenance and repair of diesel engines and auxiliary equipment.
3. Additional qualifying work experience may be substituted on a year-for-year basis for two years of the educational requirement, if the candidate has completed technical training with a diesel manufacturer.

THE EXAMINATION

The examination process for this position will be an evaluation of your training and experience as a diesel technician. Please be detailed on your application regarding your work experience and training as it relates to this position.

NOTE: Resumes are welcomed as additional information, but are not considered "official" applications.

HOW TO APPLY

Application forms should be filled out completely and should clearly show that the minimum qualifications are met. Eligibility for hire may be based on a rating of the application; therefore, completeness and accuracy are of the utmost importance. Official City of Fort Lauderdale applications will be accepted and **received at the Department of Human Resources, City Hall, 100 North Andrews Avenue - 3rd Floor, Fort Lauderdale, Florida, **open continuously until sufficient applications have been received.****
